Department of Special Education

The Islamia University of Bahawalpur, Pakistan

Aims of the Conference

2nd International Conference on Research in Special Education 2022 (ICORSE-2022) aims to bring together leading researchers and research scholars to exchange and share their experiences about all aspects of Special Education. It also provides the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, concerns, and practical challenges and the solutions adopted in the fields of Special Education.

All honorable authors are encouraged to contribute and shape the Conference through the submission of their research abstracts and papers. Also, high-quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Special Education are cordially invited for presentation at the conference. The conference solicits contributions of abstracts and papers those address themes and topics of the conference, including figures, tables and references of novel research material. We make sure to support and motivate first timers and also seasoned academicians by

- Generating academic and professional relationships
- Boosting your morale and confidence in presenting research on an international platform
- Clearing your inhibitions of adjusting to the foreign environment
- Prospective authors are invited to submit Full Papers/ Abstract of Original Research work or, Synopsis of PhD/Dissertation, published work, View-points

TYPES OF CONTRIBUTIONS

You can submit your papers in three modalities: in person (either ORAL or POSTER presentation) or VIRTUALLY (as non-attending author).

Oral Presentation (In-Person Participant):

Oral presenters are the participants who contribute to the conference in-person with a paper presented orally. Each presentation will last 15 minutes and will be presented in parallel thematic sessions. You will be informed of your session reference and the time of your presentation before the conference.

Poster Presentation (In Person Participant):

Poster presenters are the participants who contribute to the conference in-person with a poster presentation. Your poster will be exhibited during the conference poster session. Poster sessions will provide an opportunity for authors to display the results and conclusions of their papers. Authors are invited to present their works face to face to individuals and small groups.
